

# DIGITAL RADIOGRAPHY SYSTEM

## 8" & 16" X-Ray Flat Panel Detector

### Features and Benefits

- Complete digital X-ray detector
- Radiation-hardened for harsh environments
- Real time imaging
- 1 Million pixels
- 200  $\mu\text{m}$  pixel pitch
- Up to 65,536 gray levels
- X-ray energies from 20 keV – 15 MeV
- Selectable gain settings
- Gigabit Ethernet interface
- RoHS-compliant
